A message from Mrs. Clyde:

The activities that I provide for Grade 3 and 4 students are optional activities that can be included into your daily routine. Many times there is a movement component to the activity that may help your child release some built up energy! There are two new challenges on my website today.

1. **April 22, 2020 Challenge** **Grade 3 and 4**

The Royal Canadian Air Force (RCAF) Band (who are based out of Winnipeg) recorded the song *Lean on Me* by Bill Withers. The musicians recorded it from their homes because they are practicing social distancing during the COVID-19 Pandemic. The song gives a message of hope and support during this time. Listen to the song here:

Afterwards, complete the [worksheet](#) and submit to Mrs. Clyde mclyde@lssd.ca

2. **April 20, 2020 Challenge** **Grade 3 and 4**

Today's challenge is musical form using the song we learn in class, "Bow Wow Wow". For this lesson you will need to gather paper, pencil, and 4 "instruments" from around the house. Details are in the video.
