

BIRD FEEDER STEM CHALLENGE

Design and build
a Bird Feeder
that can be refilled
easily and can dispense
bird seeds on its own.

You can use
plastic bottles,
plastic plates, cardboard,
wooden clothespins,
and string to engineer
this bird feeder.

BIRD FEEDER STEM CHALLENGE

Design and build a Bird Feeder.

MATERIALS	WHAT WORKS?
DESIGN	WHAT DOESN'T?
WHAT DO YOU THINK ABOUT THE DESIGN AND CHANGES YOU MADE IF THERE'S ANY?
