

## Friday, May 1- Below is your Schedule for the day Grade 3's

Oh, my goodness Grade 3's!!! How is it May 1<sup>st</sup> already? I hope everyone enjoyed my SEL video from yesterday. Today is FUN FRIDAY!!!! Woot, Woot!! HAPPY DANCE TIME!!!! Today is also the day that we do some Science and Social Studies as well. For Science because its Springtime we are going to do our Plant and Soils unit. For Social Studies we are going to do our Ancient Egypt Unit. This is always a favorite unit of mine.

Let us start our morning off with 3 positive affirmations that we are going to say to ourselves today. Write them down and post them somewhere around your house.

Grade 3's here are some SEL ideas that I came up with that you can try at home if you want to today.

Here are some helpful social-emotional activities for kids to complete at home...

- **Self-awareness** - Try a responsibility scavenger hunt, create a vision board for the future, and stay positive with daily affirmations. This is on my website.
- **Self-management** - Help around the house, make a "being my best self" hat.
- **Social awareness** - Encourage random acts of kindness, collect and get donations ready for later, Make supper for mom and dad
- **Relationship skills** - Make paper hearts to show appreciation for others, have virtual playdates with friends, or host a family game night. Kid messenger is great for connecting with friends virtually as well.
- **Responsible decision making** - Fill a "new accomplishments" jar, set a home learning goal, and try to get caught being responsible.

Once you complete your SEL morning activities then we will move onto Science class. Grade 3's this is also a chance for you to finish up your SEL booklet from yesterday.

Science Class time:

Step 1: Please watch the video on Soils. This is on my website

Step 2: Please complete 2 worksheets on Soils. The video will help answer your worksheet questions.

Recess and Snack Time

Social Studies Time

Please read the informational articles first on Ancient Egypt. Then complete the activities. Everything is on my website for your Ancient Egypt assignments for today.

Lunch Time

Gym Time. Please visit Mrs.McConnell's website for her fun Friday activities that she has for you.

Fun Friday Time!! You guys have really earned your FUN FRIDAY TIME this week so enjoy everyone.

Have a Great Weekend Everyone! Stay safe and healthy! Contact me if you need anything. Remember I am here to help and support all my families.

Love Your Teacher,

Mrs.Cyr
