

Friday, May 15- Below is your Schedule for the day Grade 3's

Oh, my goodness Grade 3's!!! How is it May 15st already? Today is FUN FRIDAY!!!! Woot, Woot!! HAPPY DANCE TIME!!!! Today is also the day that we do some Science and Social Studies as well. For Science because its Springtime we are going to continue our Plant and Soils unit. For Social Studies we are going to continue our Ancient Egypt Unit. This is always a favorite unit of mine. And it is a long weekend. No School on Monday my friends.

Let us start our morning off with 3 positive affirmations that we are going to say to ourselves today. Write them down and post them somewhere around your house.

Your SEL Activity for this morning:

- Make paper hearts to show appreciation for others or have virtual playdates with friends. Kid messenger is great for connecting with friends virtually as well.

Once you complete your SEL morning activity then we will move onto Science class.

Step 1: Please watch the Bill Nye video on Rocks and Soils. This is on my website

Step 2: Please complete 2 worksheets on Soils. The first sheet is the information sheet and the second sheet is your question sheet.

Recess and Snack Time

Social Studies Time

Please read the informational articles first on Ancient Egypt. Then complete the activities. Everything is on my website for your Ancient Egypt assignments for today.

Lunch Time

Gym Time. Please visit Mrs.McConnell's website for her fun Friday activities that she has for you.

Fun Friday Time!! You guys have really earned your FUN FRIDAY TIME this week so enjoy everyone.

Have a Great LONG Weekend Everyone! Stay safe and healthy! Contact me if you need anything. Remember I am here to help and support all my families.

Love Your Teacher,

Mrs.Cyr
