

my Growth Mindset

by _____

Growth Mindsets tackle challenges with a positive attitude. A challenge I have faced is...

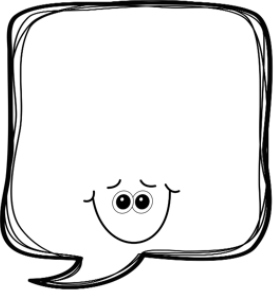

This is harder than I thought. I'll keep on it. My next one will be...

Instead of saying...

I can't do this.

I will say...

Freebie

Growth Mindsets believe that they can become smarter with effort. I have had to work hard...

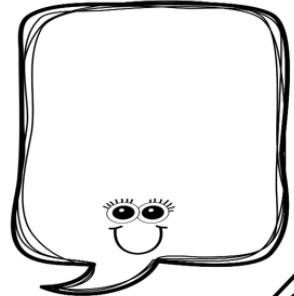

If I keep practicing, I will get better at this!

Instead of saying...

I give up.

I will say...

Growth Mindsets believe failure is an opportunity to grow. A time I failed and kept going is...

Well, that didn't work. Next, I am going to...

Instead of saying...

It's never going to work.

I will say...

Growth Mindset Blog Post

Click the Pic Below

The image is a screenshot of the 'Elementary Chalkboard' website. At the top, there are social media icons for Facebook, Pinterest, TpT, a heart icon, and Instagram. The main title 'Elementary CHALKBOARD' is written in a colorful, chalk-like font, with the letter 'O' replaced by a red apple. Below the title, it says 'A place for tips and tricks K-6'. A row of colorful chalk pieces is scattered across the middle. Below this, there are navigation buttons: 'HOME page', 'K-6 authors', 'SHOP here', 'K-3 posts', '4-6 posts', and 'MONTHLY calendar'. A red apple icon with 'JUL 24' is next to the 'Growth Mindset' post title. The post content includes a greeting 'Hi There!', a paragraph about the author Lisa and the source of the post (Stanford University psychologist Carol Dweck), and a link to an 'INTERACTIVE-BOOK freebie'. The book cover is titled 'my Growth Mindset by Carli Lloyd' and features drawings of three children's faces. On the right side, there is a circular logo for 'Elementary CHALKBOARD' and a search bar with the text 'chalk WITH US' and a 'Submit' button.

Growth Mindset

Hi There!
Lisa here, from Growing Firsties & I'm going to share a little bit about Growth Mindset today, which is based on Stanford University psychologist [Carol Dweck's work](#).
