

Monday, April 20- Below is your Schedule for the day Grade 3's

Hey Grade 3's!

I thought we could continue with Time today for math and I also found another great Learn-at-home- menu for your guys. So please enjoy! If you want, you can email me a pic as well. I would love to see you today or you can find me on Twitter to. Tweet it out to me! Also grade 3's if you have a white board and markers please use that instead of printing stuff. That way you are friendly to the environment. It's Earth Day on April 22, so we want to be friendly to the earth and save on paper and ink. Also, you can use scrap paper that you find around the house, that works as well grade 3's. Only print what you absolutely need to, otherwise please save paper and ink grade 3's. Remember to Reuse, Reduce and Recycle. Be friendly to our environment.

After breakfast, write on a piece of paper your 3 positive thoughts that you are going to say to yourself today. Then post it on your fridge. It's very important to acknowledge what great kids you are and that YOU MATTER. Always remember that my grade 3 friends. Together we are a family. Even though we might not physically be together at this very moment, we are still one strong family near or far.

Next put on Cosmic Kids and start your morning yoga. You can find Cosmic kids on you tube. Type it in and then choose which yoga session you want to participate in. Or you can do whatever mindfulness activity that you find peace with.

After yoga I want you to choose your favorite book and either read it to yourself or to an adult. After you finish reading the book, I want you to do a word splash on the book. On the word splash tell me what the book was about and who was the main character, and their traits.

Now it's time for our vocabulary words of the day. Please have your child write down the words

1. Information and communication. Then have them write out the definition of the words using a dictionary or a computer. After they write out the words have your child write a sentence out using their new vocabulary words.

Now that we have just did yoga, reading, and vocabulary, its writing time. Remember students we need to complete our writing before we go for snack and recess.

Now take out your week NEW learning at home menu sheets. Please choose any activity from that page and complete it. You will find these pages on my website. Just click on the link that says LEARN-AT-HOME- MENU.
