

Monday, April 27- Below is your Schedule for the day Grade 3's

Hey Grade 3's!

I thought we could continue with Multiplication today for math and I also found another great Learn-at-home- menu for your guys. So please enjoy! Don't forget you guys can upload everything onto your dojo now to. You can also message me from dojo as well. Also grade 3's if you have a white board and markers please use that instead of printing stuff. That way you are friendly to the environment. Also, you can use scrap paper that you find around the house, that works as well grade 3's. Only print what you absolutely need to, otherwise please save paper and ink grade 3's. Remember to Reuse, Reduce and Recycle. Be friendly to our environment. I also included math posters, math videos and math games for today as well. Please go and look at my math resource file grade 3's. It's a great resource file for you and it will help you with your math. Again, everything is on my website.

After breakfast, write on a piece of paper your 3 positive thoughts that you are going to say to yourself today. Then post it on your fridge.

Next put on Cosmic Kids and start your morning yoga. Or you can do GoNoodle, or whatever brings you peace in the morning.

After yoga I want you to choose your favorite book and either read it to yourself or to an adult. After you finish reading the book, I want you to do a word splash on the book. On the word splash tell me what the book was about and who was the main character, and their traits.

Now it is time for our vocabulary words of the day. Please have your child write down the words:

1. Message and Solve. Then have them write out the definition of the words using a dictionary or a computer. After they write out the words have your child write a sentence out using their new vocabulary words.

Now that we have just did yoga, reading, and vocabulary, its writing time. Remember students we need to complete our writing before we go for snack and recess.

Now take out your week #2 NEW learning at home menu sheets. Please choose any activity from that page and complete it. You will find these pages on my website. Just click on the link that says LEARN-AT-HOME- MENU #2

Now it is snack time. Go and choose a healthy snack please. After snack, clean-up and go outside for recess. It's beautiful outside today, so enjoy the weather. Do not forget to tuck in your chairs and put your plates away.

I hope everyone enjoyed the fresh air, now its spelling time.

Grade 3's please go and find the grade 3 spelling link on my website and complete unit 23 for this week. Grade 3's on Friday you can get your parents to give you a spelling test. This is optional, but you can still do spelling tests. Again, this is optional, but also encouraged.

Now its Lunch Time Students! Wash your hands and grab your lunch!

After lunch go outside for lunch recess.

Welcome Back Everyone, I hope you all had a good recess.

Now you have GYM class

Please read the note from Mrs.McConnell today.

Hi Kiddos,

This week for pe we will be continuing with super hero warm-ups and our bike unit. NEW to the schedule: Marathon Mondays are devoted to fitness games and Marathon updates, Wiggle Wednesdays are all about creative movement (the Carlton dance is featured this week) and Fun Fridays are all about fun (you will need painter's tape and string/yarn or rope for this challenge). Please check my website each day to get the whole family moving. Messages, videos and pictures are always appreciated (nmccconnell@lssd.ca)!

www.homehtshuskies.weebly.com

Enjoy the beautiful weather this week!

Ms McConnell

Let's get out our fancy math binders and start math class.

Number of the Day today is: Please go and print off your number of day sheet. Print off any 1 sheet and complete it.

Math Time: HAPPY DANCE TIME: Today's Math Lesson is on Multiplication using repeated addition.

1. Grade 3's please read the math poster first. Read it over, review it, talk it out with your parents. This is on my website
2. Now step 2 is watch the math video on Multiplication using repeated addition. This is on my website
3. Now step 3 is complete both math sheets. This is on my website
4. Now step 4 is complete the math puzzle. This is on my website

If you guys need any help with today's math lesson, please email me. I am here to support all my families. So please email me if you have any questions.

Well it's 3:25- Time to pack up for home time and we will see you tomorrow kids. Stay Safe and Healthy! If you need any help with your assignments for today, please email me and I will be here to help you. Remember friends..... Mrs.Cyr is here to support you. Have a great night!

Love Your Grade 3 Teacher,

Mrs. Cyr
