

Monday, May 25- Below is your Schedule for the day Grade 3's

Hey Grade, 3's!

For this week, our Theme is Subtraction using NEW mental math strategies. This week I made you guys a 12-page math booklet up that you can work at your own pace on. So please enjoy! Do not forget you guys can upload everything onto your dojo now to. You can also message me from dojo as well. Also grade 3's if you have a white board and markers please use that instead of printing stuff. That way you are friendly to the environment. Also, you can use scrap paper that you find around the house, that works as well grade 3's. Only print what you absolutely need to, otherwise please save paper and ink grade 3's. Remember to Reuse, Reduce and Recycle. Be friendly to our environment. Please go and look at my math resource file grade 3's. It is a great resource file for you, and it will help you with your math. Again, everything is on my website.

After breakfast, write on a piece of paper your 3 positive thoughts that you are going to say to yourself today. Then post it on your fridge.

Next put on Cosmic Kids and start your morning yoga. Or you can do GoNoodle, or whatever brings you peace in the morning.

After yoga I want you to choose your favorite book and either read it to yourself or to an adult. After you finish reading the book, I want you write at least 10 sentences about the book you just read. Tell me what the book was about, what did you like about it, what was your favourite part of the book, etc. Please remember we are working on Capitals, periods, commas, and juicy words. These are our class writing goals for this year. Also grade 3's remember your sentences have to make sense and flow nicely. This was also our writing goal for this year as well.

Now it is Music Time- Please go and visit Mrs.Clyde's website

Now that we have just did yoga, reading, writing and Music it is time for snack and recess.

Now it is snack time. Go and choose a healthy snack please. After snack, clean-up and go outside for recess. It is beautiful outside today, so enjoy the weather. Do not forget to tuck in your chairs and put your plates away.
