

Mother's

PAPER BAG BOOK

TEACHER DIRECTIONS:

Print and copy a page of covers, inside pages and as many (or as few) pocket inserts as you desire. Each student will need a set.

Each book will require 2 paper lunch bags. Use the directions on the next page to assemble the book.

You might decide to use ribbon or washi tape on the cover or for the pocket inserts. This is completely optional!

Each student will need crayons or color pencils to color their pages.

BOOK ASSEMBLY

Place two bags on top of each other like this picture.

Flap on top and on the left side.

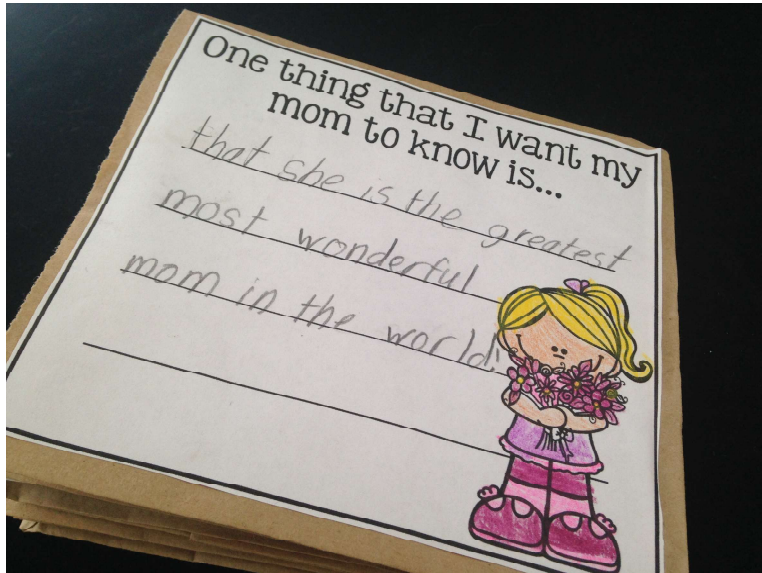

Flap on bottom and on the right side.

Fold the bags in half and staple on the left side.

Instead of stapling, you could punch holes through the bags and attach with knots of ribbon!

I used a little washi tape to make tabs for my pocket inserts. You could also use ribbon. Or, keep it simple, and just stick the paper in the pockets!
