

Friday, March 27, Day 4 Below is your Schedule for the day

Well Grade 3's today is the day we all have been waiting for. It's FUN FRIDAY!!!! Can I get a WOOT WOOT!! I feel like you guys have been doing such a great job this week with all your schoolwork that I gave you 60 MINS OF FUN FRIDAY TIME. Yes, this is the time that you get up and do your HAPPY DANCE. 60 MINS... WHAT... THAT'S AWESOME. It's also PJ and Wacky hair day, so please email or tweet me out your photos. I would love to see your wacky hair. It is also the day where we just do science, social studies and art. WOOT WOOT... yes that's right ...no math or ELA today, that's why we call Fridays, Fun Fridays.

After breakfast, write on a piece of paper your 3 positive thoughts that you are going to say to yourself today. Then post it on your fridge.

Next put on Cosmic Kids and start your morning yoga. You can find Cosmic kids on you tube. Type it in and then choose which yoga session you want to participate in.

Now it is Science class. This morning I want you to build a structure. It can be any structure, toothpick and marshmallow structure, card structure, popsicle stick structure, spaghetti structure, Lego structure etc. Please use whatever you can find around your house and just build me a cool structure. I am leaving this project open to you to design. After you are done email or tweet me a picture of your structure. Be creative my friends! I can't wait to see what you come up with.

Snack and Recess time- Wash your hands and get ready for snack and recess time.

Welcome Back from recess. I hope you all had fun outside. Email or Tweet me out your recess pics to. I would love to see what you do for recess at your house.

Science: Structures continue building your structures from this morning.

Art: Draw me a picture of your favorite superhero today. Tell me why you chose that hero and email or tweet it out to me. I can't wait to see your pics.

Lunch Time Everyone! Enjoy you lunch! After lunch please go outside for Lunch Recess and get some fresh air.

Welcome Back from recess everyone!

This Afternoon we have social studies and Fun Friday Time

For social studies I want you to write out your family's favorite culture recipe that you enjoy making together as a family. For Example: Mrs.Cyr is Ukrainian, and my family recipe would be perogies. So, I would write out my grandma's perogy recipe because she makes the best perogies. What I want to do is over the break I want to put together a culture family recipe book for our class. That way all the students can take home a recipe book full of different

recipes from different culture backgrounds. Please email me your recipes so that I can put the book together over the break.

Now its FUN FRIDAY TIME!!!

Now remember kids no technology during this time. I only want you to play board games, do crafts, Legos, build something, draw, color, make a book or a necklace, bake, etc. Do whatever activity you like, just remember no technology during this time.

Well next week is Spring Break. I want to take this time to wish everyone a Safe and Healthy Spring Break. Spend lots of time with your family. I look forward to hearing everyone's spring break stories on April 6. Please continue to look at your email as I will be emailing out the daily schedule for the week of April 6-10. Enjoy your Spring Break everyone!

Take Care!

Sincerely,

Mrs.J.Cyr
