

Monday, March 23- Below is your Schedule for the day Grade 3's

Just because we are at home learning now doesn't mean we can't have spirit week. Today when you wake up, I want everyone to dress up in their favorite jersey or Husky pride wear. If you want, you can email me a pic as well. I would love to see your pride wear. Or you can find me on Twitter to. Tweet it out to me!

After breakfast, write on a piece of paper your 3 positive thoughts that you are going to say to yourself today. Then post it on your fridge.

Next put on Cosmic Kids and start your morning yoga. You can find Cosmic kids on you tube. Type it in and then choose which yoga session you want to participate in.

After yoga I want you to choose your favorite book and either read it to yourself or to an adult. After you finish reading the book, I want you to do a word splash on the book. On the word splash tell me what the book was about and who was the main character, and their traits.

Now its time for our vocabulary words of the day. Please have your child write down the words

1. Spirit and Transition. Then have them write out the definition of the words using a dictionary or a computer. After they write out the words have your child write a sentence out using their new vocabulary words.

Now that we have just did yoga, reading, and vocabulary, its writing time. Remember students we need to complete our writing before we go for snack and recess.

Now take out your week one home learning menu sheets. Please choose any activity from that page and complete it. Don't forget to get your parents to sign in the box. That way when I see you in April you will get a special prize from me.

Now it is snack time. Go and choose a healthy snack please. After snack, clean-up and go outside for recess. Don't forget to tuck in your chairs and put your plates away.

I hope everyone enjoyed the fresh air, now its spelling time.

Now it's language and grammar time!

Go to abcya.com and find the synonym and antonym activity. It's a super fun activity and this activity builds on what we have been learning about in class so far.

Now its Lunch Time Students! Wash your hands and grab your lunch!

After lunch go outside for lunch recess.

Welcome Back Everyone, I hope you all had a good recess.

Let's get out our fancy math binders and start math class.

Number of the Day today is: 1356, write it out in word form and in expanded form and then draw out your base-ten blocks. Don't forget your 10 more and 10 less numbers

Math Game Time: Take out a deck of cards and flip over two cards and multiple them together. Do this 15 times. Write out your multiplication on a piece of paper, that way its easier for you to keep track of everything. For Example: $2 \times 5 = 10$, $5 \times 5 = 25$, etc

Math Lesson for today: Go to Prodigy Math, you can download the app for free. It's a really good math lesson. Have the students create a free account and play grade 3 math activities on addition, subtraction, multiplication, division and fractions. This is all the stuff we covered in class so far this year.

Well it's 3:25- Time to pack up for home time and we will see you tomorrow kids. Stay Safe and Healthy!

If you need any help with your assignments for today, please email me and I will be here to help you. Don't forget to check your email for tomorrow's class schedule. Also feel free to email or tweet me out your learning from home. I can't wait to see/hear what you have been up to today. I will be doing daily check-ins with you. Have a great night!
