

My Camping Story

Thank you so much for downloading my story cover!

I glued each "My Camping Story" cover to folded 9" x 18" dark blue construction paper. The colors in the decorative lettering coordinate well with the blue, and the kids love it!

The students colored their own pictures for each of the three pages in their writing workshop story, so this gives the little artists a break. They also feel like it is a special prize for the hard work they put into their stories.

I have added blank writing paper below for the camping stories. I have also included writing paper with a picture box. I hope you enjoy it!
