Today we will be continuing our learning on food, recipes, family, and fractions.

Thursday's Invitation: It is Mother's Day on Sunday Everyone and I thought for a Family invitation, I am inviting all of you to make a book for your Mother for Mother's Day. On my website you will see the link to the book that I want you to create for either your mom, grandma, or auntie, or all three of them, you decide. THE SKY'S THE LIMIT GRADE 3'S!

After breakfast, write on a piece of paper your 3 positive thoughts that you are going to say to yourself today. Then post it on your fridge. It is very important to acknowledge what great kids you are and that YOU MATTER!!

Next put on Cosmic Kids and start your morning yoga. You can find Cosmic kids on you tube. Type it in and then choose which yoga session you want to participate in. Or if you guys want to you can do breathing exercises, gonoodle, whatever brings your mind at peace in the morning.

Now your done your positive affirmations and yoga, it is time to create your Mother's Day Book. Please go to my website and you will see all the instructions that you need for the book. It is a 25-page document, please pick and choose what pages you would like to put into your book. I purposely gave you lots of choices to choose from.

Continue creating your Mother's Day Book. Try and hide Grade 3's, we don't want moms to see your book that you created until Sunday. Sunday is the day where you can show mom your book. Please wrap your book up to if you can and give it to your mom for her Mother's Day gift on Sunday. If you have time you can make your Mom a Mother's Day card to go along with her gift.
