

April 9, Thursday Below is your Schedule for the day

Today is the day we have been waiting for Grade 3's. HAPPY DANCE TIME!!! It's our Camping Day. YAY!!!! WHOOT! WHOOT!! This is the day that families come together and share stories around a campfire together. What we do at school is I put on the fire log channel on youtube and we take turns reading our stories around a fake campfire that I make. It's cute and funny at the same time. If you would like, please email or Tweet me out your at home camping events. You guys are pros at these camping events. AND YES, today is your FUN FRIDAY TIME as well, since there is no school tomorrow cause its Good Friday. I have been adding up your points for the week Grade 3's and you got 60 mins this week of Fun Friday time!!! Happy Dance Time Again!!!!

After breakfast, write on a piece of paper your 3 positive thoughts that you are going to say to yourself today. Then post it on your fridge.

Next put on Cosmic Kids and start your morning yoga. You can find Cosmic kids on you tube. Type it in and then choose which yoga session you want to participate in.

Now it's time for SEL learning. Please go to my website and click on the link for SEL learning and a page will pop up. Please complete any one or two of these activities.

Reading Buddy Time- choose a book and read to either an adult or a sibling.

Now that we have just did yoga, SEL, and Reading its snack and recess time.

Now it is snack time. Go and choose a healthy snack please. After snack, clean-up and go outside for recess. Don't forget to tuck in your chairs and put your plates away.

I hope everyone enjoyed the fresh air, now it's our Camping Event Time

Please build your own forts at home out of blankets and pillows or whatever cool stuff you may have in your house. Then display your fake fire, put on YouTube to the fire log channel, share stories, eat smores or hot dogs or whatever you want to and ENJOY GRADE 3'S! Take a pic and send it my way and I will be sure to post it on our class website for you to see.

Now its Lunch Time Students! Wash your hands and grab your lunch!

After lunch go outside for lunch recess.

Welcome Back Everyone, I hope you all had a good recess.

You have Gym class right now. Please read the Note Below from Mrs.McConnell

Please tell students that under the homework tab on my website they can find a document to set some family fitness goals. Also, under the Movement with McConnell tab everyday I'm posting a 30 second challenge, fitness warm-up and a lesson (we have started our skipping unit). My kids and myself are in the videos so it's a great way to connect with our students! Also, I've included a new tab with volleyball activities for any students who were wanting to join the volleyball club. I will start Marathon Club next

week. These are fun challenges/activities to get families moving and they can decide what activities they would like to participate in on a daily basis. It is important for both our students physical and mental health to keep them physically active.

Welcome Back from gym class everyone! Good Job walking quietly in the hallways!
