

Tuesday, June 2- Below is your Schedule for the day Grade 3's

Hey Grade, 3's!

Today we are going to continue with our Theme on MEASUREMENT.

After breakfast, write on a piece of paper your 3 positive thoughts that you are going to say to yourself today. Then post it on your fridge.

Next put on Cosmic Kids and start your morning yoga. Or you can do GoNoodle, or whatever brings you peace in the morning.

Now Grade 3's go onto my website and download the June writing mats. It is a massive document that contains 132 pages of writing activities for your guys. Choose one or two activities you like and just write. All the instructions are included in this booklet and at the very end of the booklet there are extra lined blank pages that you can print for yourselves which I love. I figure this is a document that you can keep and use over the summer break to. My website will still be live over summer break to for you to complete activities if you want to.

Now that we have just did yoga and writing it is time for snack and recess.
