

Tuesday, May 12- Below is your Schedule for the day Grade 3's

Hey Grade, 3's!

Today we are going to continue our Theme on Addition using mental math strategies. So please enjoy! I also included a camping writing assignment for you guys today. It looked really cool and I thought you guys would love it.

After breakfast, write on a piece of paper your 3 positive thoughts that you are going to say to yourself today. Then post it on your fridge.

Next put on Cosmic Kids and start your morning yoga. Or you can do GoNoodle, or whatever brings you peace in the morning.

After yoga I want you to either get a computer or find an animal book that you have in your house and I want you to complete your animal research assignment. This is on my website. Please answer all the questions in complete sentences using capitals, periods, and proper spelling. Grade 3's if you have dictionaries at home it is a good idea to start getting used to using dictionaries and looking up words. We started doing this in class and it is a good skill to have.

Now it is snack time. Go and choose a healthy snack please. After snack, clean-up and go outside for recess. It is beautiful outside today, so enjoy the weather. Do not forget to tuck in your chairs and put your plates away.

I hope everyone enjoyed the fresh air, now its writing time.

Grade 3's go on to my website and find your camping writing assignment for today. Please fill in all the sheets and write me any camping story that comes to your imagination. Remember use Juicy words, capitals, periods, commas, neat printing, and watch your spelling.
