

Wednesday, April 22- Below is your Schedule for the day Grade 3's

Today is EARTH DAY Grade 3's! YAY! I have a really cool Earth Day project for you today. I have attached the file for you on my website. For this project it requires you to have a folder, but if you don't have a folder use whatever you have at home. I also included a new number of the day file for you as well on my website. Please feel free to browse the file and today you get to choose whatever number of the day you want. So look through the number of the day file on my website and print off only 1 page that you will like to complete today. Grade 3's please keep all your work either in a folder or binder for me at home. As always feel free to email me pics of your learning.

After breakfast, write on a piece of paper your 3 positive thoughts that you are going to say to yourself today. Then post it on your fridge. It's very important to acknowledge what great kids you are and that YOU MATTER.

Next put on Cosmic Kids and start your morning yoga. Or if you want you guys can totally do GoNoodle to or whatever brings you peace in the morning.

Now your done your positive affirmations and yoga or mindfulness activity, it's time for your Earth Day Folder.

Please go to my website and open up the Earth Day Folder. Everything you need is in this folder.

Now it is snack time. Go and choose a healthy snack please. After snack, clean-up and go outside for recess. Don't forget to tuck in your chairs and put your plates away.

Welcome Back Everyone from Recess.

Please continue with your Earth Day folder.
