

Wednesday, June 10- Below is your Schedule for the day Grade 3's

Hey Grade, 3's!

For this week, we will continue our Theme on MEASUREMENT. So, we only have 2 math classes left of new learning and then we are done for the year.

After breakfast, write on a piece of paper your 3 positive thoughts that you are going to say to yourself today. Then post it on your fridge.

Next put on Cosmic Kids and start your morning yoga. Or you can do GoNoodle, or whatever brings you peace in the morning.

After yoga I want you to choose your favorite book and either read it to yourself or to an adult. After you finish reading the book, I want you write at least 10 sentences about the book you just read. Tell me what the book was about, what did you like about it, what was your favourite part of the book, etc. Please remember we are working on Capitals, periods, commas, and juicy words. These are our class writing goals for this year. Also grade 3's remember your sentences have to make sense and flow nicely. This was also our writing goal for this year as well.

Now it is Music Time- Please go and visit Mrs.Clyde's website. View the talent show, it is so FUNNY!! LOL!!

Now that we have just did yoga, reading, writing and Music it is time for snack and recess.

Now it is snack time. Go and choose a healthy snack please. After snack, clean-up and go outside for recess. It is beautiful outside today, so enjoy the weather. Do not forget to tuck in your chairs and put your plates away.

I hope everyone enjoyed the fresh air, now its spelling time.

Grade 3's please go and find the grade 3 spelling link on my website and complete unit 28 for the big group and I think unit 16 for the small group. Grade 3's on Friday you can get your parents to give you a spelling test. This is optional, but you can still do spelling tests. Again, this is optional, but also encouraged.
