

Wednesday, May 20 Below is your Schedule for the day Grade 3's

Hey Grade, 3's!

Today we are going to continue our Theme on Addition using NEW mental math strategies. So please enjoy! I also included a Growth Mindset booklet today for you guys as well. It looked really cool and I thought you guys would love it. Today is our Teams Meeting call at 12:00. See everyone then and please remember to turn off your mic. When I ask you to talk then you can turn your mic on.

After breakfast, write on a piece of paper your 3 positive thoughts that you are going to say to yourself today. Then post it on your fridge.

Next put on Cosmic Kids and start your morning yoga. Or you can do GoNoodle, or whatever brings you peace in the morning.

After yoga I want you to choose your favorite book and either read it to yourself or to an adult. After you finish reading the book, I want you to watch the YouTube Video on Pre-Writing Strategies AGAIN TODAY. Today I want you to complete a VENN Diagram on your book Grade 3's. But first watch the video. In the video it explains everything about Venn Diagrams. Then stop the video and complete your own Venn Diagram.

Now it is snack time. Go and choose a healthy snack please. After snack, clean-up and go outside for recess. It is beautiful outside today, so enjoy the weather. Do not forget to tuck in your chairs and put your plates away.

I hope everyone enjoyed the fresh air, now its writing time.

Grade 3's go on to my website and find your Growth Mindset booklet. Download the booklet and complete it.

Zoom (AKA Teams meeting) Call Time with Mrs.Cyr at 12:00-12:30. For this meeting we are doing a show and tell meeting. Bring whatever you want and show and tell it to the class.

Now its Lunch Time Students! Wash your hands and grab your lunch!

After lunch go outside for lunch recess.

Welcome Back Everyone, I hope you all had a good recess.

Now you have GYM class

Check out Mrs.McConnell's website: www.homehtshuskies.weebly.com

Let's get out our fancy math binders and start math class.

Number of the Day today is: Please go and print off your number of day sheet. Print off any 1 sheet and complete it.

Math Time: Continuing on with our NEW Mental Math Addition Strategies

TODAY'S MATH LESSON IS ON PAGE 3 AND 4 IN YOUR MATH BOOKLET. It is on Doubles and Near Doubles.

Step 1: Watch the video first on doubles and near doubles. It is a good video and it will help you with pages 3 and 4 in your math booklet for today.

Step 2: Complete pages 3 and 4 in your booklet.

Please download your 15-page math booklet and complete at least pages 3 and 4 today. If you want to do more pages today, then that's great. I would stop at 4 pages, but again I will leave this decision up to you Grade 3's. You guys know what you can handle the best.

If you guys need any help with today's math lesson, please email me. I am here to support all my families. So please email me if you have any questions.

Well it's 3:25- Time to pack up for home time and we will see you tomorrow kids. Stay Safe and Healthy! If you need any help with your assignments for today, please email me and I will be here to help you. Remember friends..... Mrs.Cyr is here to support you. Have a great night!

Love Your Grade 3 Teacher,

Mrs. Cyr
