

Wednesday, May 6- Below is your Schedule for the day Grade 3's

Today we will be continuing our learning on food, recipes, family, and fractions.

Wednesday's Invitation: Go outside on a walk and see if you can find any fractions on your nature walk. Take a pic to represent a fraction of a set or a whole.

After breakfast, write on a piece of paper your 3 positive thoughts that you are going to say to yourself today. Then post it on your fridge. It is very important to acknowledge what great kids you are and that YOU MATTER!!

Next put on Cosmic Kids and start your morning yoga. You can find Cosmic kids on you tube. Type it in and then choose which yoga session you want to participate in. Or if you guys want to you can do breathing exercises, gonoodle, whatever brings your mind at peace in the morning.

Now your done your positive affirmations and yoga, it's time for your Nature Walk. Go outside and see if you can find any fractions. Write them down on a piece of paper or take a pic of the fractions you see outside. Or you make fraction numbers out of rocks, sand, grass, leaves, branches, etc
